### Isaiah 5:20-21, 23

20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

21 Woe unto *them that are* wise in their own eyes, and prudent in their own sight!

23 Which justify the wicked for reward, and take away the righteousness of the righteous from him!

### Which Way Do We Go?

In Alice in Wonderland, when Alice comes to a junction in the road that leads in different directions, she asks the Cheshire Cat, “Cheshire-Puss...would you tell me please, which way I ought to go from here?”

“That depends a good deal on where you want to go to,” said the Cat.

“I don’t much care where,” replied Alice.

“Then it doesn’t matter which way you go.”

### Proverbs 14:12

### How Did Life Begin?

Theory of Evolution - life began with the first cell, **which itself emerged by chance** or by some hypothetical natural laws of "self-organization." Again as a result of **chance** and natural laws, this living cell developed and evolved, and by taking on different forms gave rise to the millions of species of life on Earth.

THE MAD HATTERS RIDDLE – “*Why is a raven like a writing desk?*”

*Have you guessed the riddle yet?*” the Hatter said, turning to Alice again.

*“No, I give it up,”* Alice replied. *“What’s the answer?”*

*“I haven’t the slightest idea,”* said the Hatter.

*“Nor I,”* said the March Hare.

*Alice sighed wearily. "I think you might do something better with the time," she said, "than wasting it in asking riddles that have no answers."*

#### *PRAVADA*

*The Reason Obama is President*, by Xavier Lerma - The reason America has the trillion dollar war monger, Obama as president today, is because of immorality and materialism in America." Mr. Lerma had to say. To begin with, he quoted George Washington, "It is impossible to rightly govern the world without God and the Bible."

He continues, "The revisionist historians have tried to 'cover up' God himself by not allowing recent generations to know that America was once a nation of religious people. Now, over half the people in America are not well informed and are willing to believe the spoon fed propaganda from the Democrats and Republicans, who are notorious for wanting to stay in power. Their worshippers get their education from TV and their friends."
